Great news. We just notified the Navy by email. The notification was sent to the local Navy Northwest commander and to a point of contact assigned to receive the email (and copied to Cyndy Mackey and David Kling). When I spoke with the Navy by phone they did not want to give out the emails for the Assistant Secretary and Deputy Assistant Secretary so this was the best we could do.

Dane just left to hand deliver the letter / order. Someone from Dennis McGinn's office will meet him to accept the letter with order. I'll let you know when it is delivered.

Thanks!
